FROM BRUNATE TO MONTE PIATTO

In Brunate you have to take Via Roma and then via Nidriro, walk downhill to the football ground; then take Strada Regia on the right. Once you reach Monti di Blevio leave Strada Regia and

go straight on till Monti di Sorto. Continuing along the same path you can reach Monti di Cazzanore and, at the crossroads, go uphill to the right, entering a small valley where you can see

Monte Piatto. From there you can admire Saint Elizabeth's church at Pietra Pendula. To reach Torno from Montepiatto there is a comfortable stepped mule track.
